

Join Us for a Free Informational Webinar Event

Hosted by Alabama Rural Health Association

Improving Prescription Access for the more than 600,000 Uninsured Alabamians.
Learn about the Together Rx Access® Program

The Alabama Rural Health Association invites you to participate in an informative webinar about ways in which you can help uninsured Alabama residents gain better access to prescription medicines. Dale Quinney, MPH, Executive Director of the Alabama Rural Health Association, invites Amy Niles, Chair Medical Relations/Advocacy of Together Rx Access, to discuss the impact of being uninsured and how Together Rx Access, a free prescription savings program, can help eligible uninsured residents gain immediate and meaningful savings on hundreds of prescription medicines right at their neighborhood pharmacy.

The Together Rx Access Card is free to get and free to use.

More than 1.9 million people are cardholders. Those who have used their card have collectively saved nearly \$86 million! Learn more.

By participating, you will learn:

- Facts about the uninsured population in Alabama.
- Why rural residents are less likely to have prescription drug coverage.
- How Together Rx Access can help residents better access the prescription medicines they need to stay healthy and to treat disease.
- Ways to get involved to help spread the word about Together Rx Access.

Who Should Participate:

Healthcare professionals, state and local advocacy organizations, hospitals, clinics, community groups, state and local leaders, academia focused on health education
